Dear Muthuprabhu,

This letter confirms that you have completed an 8-week online Internship on **Internet of Things Trainee** from February 2023. We appreciate your dedication to learning, we hope you had a blast and gained valuable skills along the way. Once again, congratulations, web development wizard! You're now part of the elite club of web developers who can turn code into beautiful, functional websites that people love to use! We wish you all the best in your future endeavors.
